

Retsina

White wine

Variety: Roditis 100%

Roditis is an indigenous grape variety of Greece.

Origin: Vineyard Mycenae

Appellation by Tradition, Greece

Winemaking: Hand-picked and hand-sorted, skin contact fermentation in stainless steel tanks at a constant low temperature together with pine resin that we collected from our own organic trees.

– *Organic certified according to European Organic Regulations (EC) No 834/2007* –

Tasting notes: Golden-yellow colour, a herbal nose with the characteristic aromas of the pine resin and rosemary, well balanced with notes of citrus fruits. Dry, spicy with a rich and full body and a refreshing acidity.

Food Pairing: Roasted lamb marinated with rosemary, grilled seabass and sea bream.

Label: The cones of the pine tree, which symbolically represent the union of the grape with the pine resin.

Bottle content: 750ml

Alcohol in %: 12.5
